*The NoneSuch Playmakers dedicate this production  
and our entire 2019 season to the memory of None-  
Such founding member Claire Hill Collins (1975-2019).  
Always in our hearts!*

**Olivia Jessup** (Iris Ford) has been part of The NoneSuch Playmakers for six years. Some of her favorite productions include *A Christmas Carol*, *Dracula*, and *Steel Magnolias*. She also is a dedicated member of the Dewey Decimal Players, and she is very thankful to Angela for allowing her to continue working with her and the teens. She is grateful to all of the friends she has made through theatre and the close family they have become.

**Jennifer Freeman** (Morgan Pace) reunites with her NoneSuch family after a brief hiatus as Morgan Pace, a favorite character of hers whom she played in *The Year of The Dagger*. Aside from her part in murder mysteries, her fondest roles include singing in NoneSuch productions such as the Christmas madrigal group, the Ceilidh, and the beloved *Sundown Serenade*. Thank you for supporting local theater!

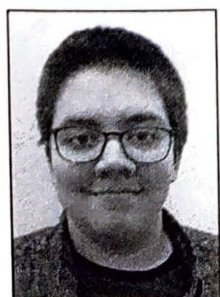

**Billie Smith** (Beej to her fellow NoneSuchers) has been a member of the NoneSucher Playmakers for 10 years. She is a fun-loving wife and mother to her husband Darren and their 6-year-old two-legged daughter (Adella) and 3 four-legged daughters (Prissy, Cricket & Daisy). She enjoys music festivals, fostering for local animal rescues and all things coffee. Thanks for supporting live theater!

**Brian Greene** (Captain Daniel Cahill) has been NoneSuching for 10 years and this production marks his 3rd outing in the role of "Cap" in the exciting 'Iris Ford' series. He got married this year and now has a family of seven and a new home. He is the webmaster for [nonesuch-playmakers.com](http://nonesuch-playmakers.com) and the world's largest Quantum Leap fan site, "Al's Place." Brian goes by "Brain" in this theater troupe, and strives to do the same thing we do every night: try to take over the world.

**Alma Parsons** (Mia Bellasario) is 14 years old and a freshman at North Surry High School. This is her third production with the NoneSuch Playmakers. Alma has also been a member of the Dewey Decimal Players teen theatre group since early 2017. When she's not studying her lines you can find her reading, drawing, or being entertained by her cat. She's honored to return to the Playmakers for this show. She thanks her parents, friends and Brack and Angela for always supporting her and helping her grow.

**Christopher Hiatt** (Kelly Kendall) makes his debut with the NoneSuch Playmakers in "Two One Two Four". This is his first play with the group and he's excited to return to acting since being in youth plays. Chris is a graphic design student who also enjoys drawing and writing in his spare time.

**Leslie Watts** (Jodie Penfield) is an accountant by day and actress by night. When Leslie isn't working or rehearsing, she enjoys reading, writing, singing, dancing, and art. She started community theatre at age 15 and hasn't stopped since. Some of her favorite roles are Mrs. Cratchit in the Nonesuch Playmakers' production of *A Christmas Carol*, Quinn Bennet in the Nonesuch Playmakers' production of *The Case of the Disappearing Doctor*, and Mrs. Bumbrake in the Gardner-Webb University production of *Peter and the Starcatcher*. Leslie wants to thank you all for coming to the show and she hopes you enjoy!

**Angela Llewellyn** (Costumer, Dr. Cynthia Greene) co-founder of the NoneSuch Playmakers, wants to thank her friends for joining our casts in this, and all our other shows. We appreciate you sharing your talents with us! I'm also happy to bring new talent to the NoneSuchers by leading the theatre troupes at the Mt. Airy Public Library, The Dewey Decimal Players and 'Tween the Lines. I invite you to their show, *The Ghost of Camp Hollow*, at the library on both Monday and Tuesday, October 21 & 22, at 6:30pm both nights!

**Jake Pack** (Michael Pierce) has been a NoneSucher since 2011, and this is his second time taking the stage as Michael Pierce. When he's not rehearsing, he's slinging coffee or relaxing at home with his four legged children. Favorite roles include Conner McGowan in *The Case of the Disappearing Doctor*, Bobby Brill in *Stop the Press*, and Gordon King in *A Process of Elimination*. Enjoy the show!

**Angela Bryant** (Jackie Wolowicz) reads too much and loves music, food, and family. She's happy to have been a NoneSucher since 2001. If you see her wandering around, seemingly aimless, she's likely either chasing one of her 5 kids or playing Pokémon Go.

**Dawn Easter** (Dr. Rita Morris) is mother to two amazing teenagers, engaged to her best friend and crazy in love with their most precious toy poodle. She discovered her love of theater in 1988 in a young actors' workshop with Brack Llewellyn. Since then Dawn has appeared in NoneSuch productions of *Dracula*, *Year of the Dagger* and *Uncle Charlie's Christmas Carol*. Now she brings back to life Dr. Rita Morris, the brilliant, sassy, Southerner who enjoys her work as a Medical Examiner. Her day job is with the Sheriff. Hobbies include traveling, gardening and cooking. Dawn says enjoy the show!

**Meredith Dowdy** (Dr. Emily Spector) joined the NoneSuch Playmakers in 2016 as Little Dog in the Stokes Arts Council's production of *A Dog's Life*. Since then, she has enjoyed participating in productions of *Uh Oh! Here Comes Christmas!*, *Quilters*, and *Uncle Charlie's Christmas Carol*. Meredith is a native of Mount Airy and is enjoying her first year as music teacher at Jones Intermediate and B.H. Tharrington Primary Schools. She is also serving as assistant director of the MAHS Granite Bears Marching Band.

**Brack Llewellyn** (Director, Sir Henry Landau) is co-founder of The NoneSuch Playmakers and a veteran of local and regional stages for forty-plus years. He takes this opportunity to express his appreciation to this cast and all the dedicated NoneSuchers who so freely share their energy and creativity with the company. Thanks also to the loyal patrons who support our productions. Enjoy the show and come back to see us!

**Jessica Llewellyn** (Stage Manager, Chief Lora Jean Frasier), of the House Llewellyn, cousin to Brack & Angela, loyal Hufflepuff, mother of cats. Jessica joined the NoneSuch Playmakers in 2009. She is happy to be celebrating 10 years with her NoneSuch family.

**Roy Flinchum** (Gordon Hermes) returns to the stage after several years. Past productions include *Dracula* (Renfield), *A Man For All Seasons* (Rich), *Peter Pan* (Smee), *Arsenic and Old Lace* (Mortimer) and *A Funny Thing Happened On The Way To The Forum* (Pseudolus). Off the boards, Roy is an illustrator and graphic designer. He sends mellow greetings to all.

**William Carpenter** (Izak Laska) is a senior in high school and also takes classes at Surry Community College. He's been doing plays with the Mount Airy Public Library's Dewey Decimal Players for the past six years. *Two One Two Four* is his second production with The Nonesuch Playmakers. He feels like a corpse is the role he was born to play.
